

WELCOME TO OUR MARCH NEWSLETTER

we're so glad you're here!

PRESIDENT'S NOTE

Dear ESC Members,

As I sit down to write this note for our March newsletter the birds are singing their songs outside my window, the sun is shining and there is a cruise on my calendar that I will be setting sail on in 33 days (not that I'm counting). Life is a beautiful thing.

And yet, as I sit down to write this same note there is conflict in the Middle East, my close friend is struggling with depression and my husband is about to deploy for 6 months. Life is a burdensome thing.

Life is both beautiful and burdensome. Gracious and grotesque. Joyous and just about enough to push us over the edge some days. It's both-and, all the time. Some days we easily recognize the beauty; others we feel so burdened we're not sure which way is up or if we can get up. So, what do we do? What can we do? What should we do?

We come together. We care for one another. We help one another laugh. We create space for tears to flow when they need to.

We check in on each other and show up unannounced sometimes, because that's what this both-and life requires.

For decades, the Edwards Spouses Club has been committed to living in and supporting that both-and reality here at Edwards. It has been a place where people show up for one another through the beauty and the burdens alike.

As our current board season begins to wind down, we're looking ahead to the next group of leaders who will carry that commitment forward. In early April we will vote in a new Executive Board, and we are now seeking nominations for those leadership roles.

If you feel compelled to be part of a team that helps make ESC the kind of community described above, we would love to hear from you. If you know someone who would be a great fit, please consider nominating them as well. Whether you're looking to contribute your gifts, build community, or be part of something bigger than yourself, this is a meaningful way to do it.

PRESIDENT'S NOTE CONT'D

Take a look at the [available positions](#) and submit a nomination for yourself - or someone else - using the [nomination form](#).

If you would like more information, or would like to talk to someone about what committing to a position requires, our Parliamentarian, Liz Flynn, would love to chat with you. You can reach out to her via email (liz192@hotmail.com).

Here's to the future of the ESC and continuing to live in the beauty and burdens, with one other.

Be well all,
Mayme 😊
