we're so glad you're here!

PRESIDENT'S NOTE

Dear ESC Members,
The other day someone said to me, "Oh, I know where your house is; you guys always have your garage door open!" It's true. We do have it open a majority of the time during the day, and it's not because we're lazy or forgetful. It's because we like people feeling like they can just walk into our house through the garage if they want to visit or need something. We like that kids can easily grab a basketball and shoot hoops in the street with our daughter. We like that we live in a place, albeit secluded from mainstream society and a bit farther from Trader Joe's than I'd ideally choose, that's about as safe as a place can get with really wonderful and trustworthy neighbors.

I'm continually inspired by the remarkable way our community embodies what it means to be a neighbor. Being a neighbor isn't just about proximity; it's about showing up, offering support, encouragement and friendship. In a world that can sometimes feel rushed and disconnected, our care makes all the difference and reminds me of the simple power of kindness.

As we continue being each others' neighbors, I wanted to share something that beautifully captures this sentiment that might encourage you. (If you're as big of a Mr. Rogers fan as I am, it might also make you cry.) Lady Gaga's cover of Mr. Rogers' song speaks to the heart of being present, neighborly, and compassionate. [You can watch it here.](#) May it serve as a reminder of the beauty in supporting one another — in both big gestures and small, everyday moments — within our club and beyond.

Grateful for you as neighbors, in the fullest sense of the word, friends,

Mayme Simms

BUSINESS SPOTLIGHT

MEET LYN SZUCH

An ESC board member who loves helping people feel effortlessly fancy. For over a year, Lyn has been creating permanent jewelry. Delicate, everyday pieces you forget you're wearing until someone compliments it. Think best-friend bracelets, meaningful links, and a little treat-yourself sparkle that stays with you.

She offers private appointments, pops up at local markets, and loves bringing the fun to girls' nights, birthdays, or just-because gatherings. Simple. Sentimental. And just the right amount of extra.
