A Note from Our President

Dear ESC Spouses,

As we enter the last month of 2025, it's so fun to look back on what a great year we've had as a club. We've welcomed over 40 members, awarded \$20,000 in educational scholarships, thrown a couple great social events (hello line dancing, outdoor movie night!), sponsored the 4th of July parade, Mistletoe Bazaar, Cinderella's Closet fashion show and Reindeer Run, managed a thriving thrift store for our base and surrounding community to utilize and consistently been a group that's shown up to support, cheer on and care for one another. See - I told you it was a great year!

Looking forward to 2026, we have a couple exciting things on the horizon:

- The board has been busy working to update our organizational chart so it better reflects our team and work we do. Take a look at the chart [here](#). If you have any questions, comments or concerns about it, please don't hesitate to email us.
- Secondly, we've had two executive board positions open up due to people PCSing. Our typical executive board seat election happens in April, at the end of our organizational year. [Shameless plug: think about putting your name in for a board seat & reach out to any board member with questions or to get more information about them]. However, because we're in the middle of our year, we're holding a special election now to fill the two open seats.

Both the acceptance of the updated organizational chart and open board seats require a vote from the entire club. Please take a moment to complete [this form](#) to indicate your vote by 12/20/25. We will announce the results of the election in our January newsletter. In that same newsletter, we will have another opportunity for your input/vote as we're finalizing some updates to our club bylaws and standing rules as well.

Again, here's to the wonderful past year and to a great 2026 on the horizon. I wish you a holiday season filled with good things and I hope to see you at future club offerings as well.

See you next year,
Meyme Simms
