

WELCOME TO OUR SEPTEMBER NEWSLETTER

we're so glad you're here!

PRESIDENT'S NOTE

Hello, Spouses!

I'm writing this on the last day the pool is open on base and I've officially administered a couple of tests to my second graders - so, I think it's safe to say, summer is over and fall is upon us!

Summer held a myriad of experiences for all of us, no doubt. There were vacations and visits with loved ones, suntans (or sunburns for my fair-skinned friends), family time (or maybe a little too much family time). For some, there was the excitement of new adventures; for others, there was homesickness and missing the people, places and traditions that feel like home. And as a community, we also experienced the heartbreaking loss of the B-52 crew here at Edwards.

As we close out the summer, we remember. We give thanks for the good times and for the people who walked alongside us through the difficult ones. That's one of the things I love most about this community - no matter what season we find ourselves in, we don't have to walk through it alone. We show up for one another, we make room for new friendships

and we find ways to make this unique place we've been sent feel a little more like home. And now, as we move into fall, I hope you'll lean into that community. Stay connected. Come line dancing with us. Join our Book Club or a Walk & Talk. Stop by an event, volunteer at the Thrift Store or try something you haven't done before. And if you haven't felt super connected yet, consider this your invitation to get plugged in. You don't have to know anyone before you show up. That's how you start knowing people! My hope is that while Edwards is home, whether for a few months or several years, you find people here who make the sunny days more fun and the windy days a little easier. Here's to a new season, new memories and continuing to do life together here at Edwards this fall.
